

Football SMS setting via webpage

You may select the alert service by Team (for best coverage of your favourite team as you won't need to worry about WHEN they play) or by Fixture (select one fixture at a time; takes more of your time but gives you more flexibility).

Our Chinese and English language services differ slightly, so please see the table below for a summary of the alerts on offer:

Match Alert

Match Alert Service	English Premiership League		German Bundesliga		Spanish Primera Liga		III Italian Serie A
